Enjoy the Deliciousness of Japanese Fruits!

日本のフルーツを食べよう!

There are three basic rules governing taking out fruits from Japan. The applicable rule depends on the destination country/territory and the type of fruit.

1. Can take out after passing an inspection. 輸出検査を受け、合格すれば持ち出することができます
2. Can take out without an inspection. 輸出検査を受けずに持ち出することができます
3. Certain requirements must be met or bringing fruit into the destination country/territory is forbidden. 特別な条件を満たす必要があります又は輸入が禁止されています

Hong Kong, Singapore and certain other places allow Japanese fruits to be freely brought in as part of one's hand luggage. These fruits make excellent gifts for family and friends!
